

IT'S FEBRUARY - 1963

...and this couple is moving into a new home, just three years after they began saving for the down-payment at Bank of America.

Saving at B of A brought them more than money, too! It brought the convenience of 59 banking services, covering every need from trust funds to financing, checking accounts to money orders. And it brought the satisfaction of knowing their funds were absolutely safe, instantly available.

You, too, could have been enjoying these advantages for the last three years - if you'd opened a B of A savings account back in February, 1960.

Still, it's never too late...

Warrior Baseballers Open Season Friday

While general managers are still haggling over contracts and major leaguers are beginning to notice the extra poundage added during the winter layoff, there are no "holdouts" at El Camino as the Warriors prepare for their first baseball action of the season at Orange Coast tomorrow.

The El Cams will host Ceritos and Compton on Tuesday and Wednesday of next week in a running start to a 26-game schedule.

Coach Chuck Freeman cut the original list of 36 candidates to 25. The turnout was quite and advancement over the 12 player team he inherited in his first season at ECC two years ago.

SETTING HIS sights on the Metropolitan Conference championship for the second straight year, (even though it was a three-way tie last year with San Diego and Harbor), Coach Freeman says:

"This ball club doesn't have any one outstanding star," the former USC horseholder remarked, "rather it will be composed of a group of lads all equally talented."

Freeman showed evidence of this statement by pointing to the outfield situation, where he has six candidates.

BOB MITCHEL, the team's leading hitter and an All-Metro selection last spring, and Dan Heun, a converted catcher with plenty of batting punch, head the list.

Joining the returning duo are four newcomers, Dan Jordan, Spencer Beard, Gary Shoop and Bob Thompson.

Jordan is a graduate of Morningside High, where he was an all-CIFer.

Spencer Beard is the younger brother of returning first-sacker Stan Beard.

Up the middle the Tribe is solid, especially at the keystone spot. Art Adams, shortstop, Jerry Helvey, second baseman, are both veterans and should establish the best defense in JC circles.

Pitching is the big question mark on the El Camino squad.

However, no less than nine hurlers are toiling for starting assignments. Ron Colgan, used mainly as a reliever last season, is the only returning hillman.

Candidates include lefthanders Dave McMillon, All-City from Washington High, Virgil DeGeorge, and Dennis Lynch.
